

TMJ News Bites

Issue 6 2023

As we approach the season of Thanksgiving, we want to take a moment to express our deep gratitude to everyone who makes The TMJ Association (TMJA) possible. Your unwavering support, dedication, and contributions have been the driving force behind our mission, and we are truly thankful for every one of you.

Our team of volunteers plays a crucial role in the day-to-day operations of the TMJA. Your commitment to our cause, whether through assisting with various tasks or offering invaluable expertise, has been instrumental in our success. We are grateful for the time and effort you invest in making a difference.

To those who provide scientific expertise, serve as patient advocates, and offer support to fellow TMJ patients and their loved ones – your compassion and knowledge make a significant impact on the lives of those we strive to help. Your dedication to raising awareness and providing guidance is truly

commendable.

We extend thanks to our government partners. Our mission has become theirs and our collaborative efforts have played a pivotal role in changing the landscape of TMJ. We are deeply thankful for their continued support, which empowers us to make a more significant impact and advocate for positive change.

We also extend our heartfelt thanks to those who contribute financially to keep the TMJA alive. Your generosity enables us to continue our important work, supporting research, advocacy, and outreach efforts.

As we reflect on the meaning of Thanksgiving, we want to express our sincerest wishes for a wonderful holiday season surrounded by the warmth of family and friends. Together, we are making a difference, and we look forward to continuing this journey of support and collaboration.

With gratitude,
All of us at The TMJ Association
